Overview

The Schedule of Benefits (SOB) is a summary of benefit limits and Cost-Sharing amounts You must pay for certain Covered Benefits. However, it is intended to help you compare covered benefits and is a summary only. Please see Your Evidence of Coverage or reach out to customer service at 1-877-522-5151 for additional coverage details.

This is a HMO network Plan where it is highly encouraged to establish a relationship with a singular, traditional Primary Care Provider (PCP). As a reminder, Direct Primary Care providers (DPCs) are not covered under this policy. You have access to both the “Mending Health Maine MP Network”. This Network includes providers and facilities throughout the states of Maine and New Hampshire. However, there are hospitals, health care facilities, physicians or other health care providers that are not included in this Plan’s Network. All services and supplies must be provided by a Mending Network Provider, unless:

- The services are for Emergency Care, ambulance services related to an Emergency for transportation to a Hospital, or Urgent Care services received at an Urgent Care Center; or
- Are authorized by Mending.

Prior Authorization

Coverage for certain benefits requires Prior Authorization. If you do not receive Prior Authorization when required, payment for care may be denied. To verify Prior Authorization requirements, call Customer Service at 1-877-522-5151, or refer to the Prior Authorization List at mendinghealth.com.
