MENDING MEMBERS LOVE US

## Hear from our members

We take pride in keeping our community healthy. Hear directly from our members on the impact we play in their lives.

Mending

## Covered and trusted by Oklahoma's *best* healthcare providers.

Use thousands of providers and facilities across the entire state. To give you the best access to care, Mending partners with providers directly and through the broad **Healthcare Highways** network.

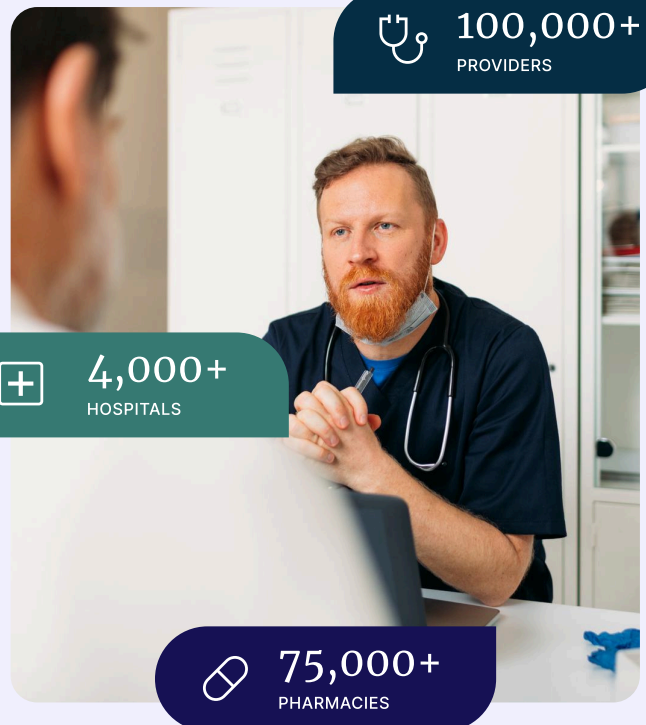

View our full list of in-network doctors and facilities at [network.mending.com](https://network.mending.com).

### NATIONAL COVERAGE

## Use our large nationwide emergency network.

If you're traveling and need care, you can use telemedicine with your local providers, or use our nationwide emergency network at hospitals and urgent care providers across the country.

## HOW WE'RE DIFFERENT

**We offer the only plans with unlimited \$0 visits to your primary care doctor.**

While traditional health insurance plans only help when you are sick, Mending plans provide unlimited primary care access and coverage to help you get healthy, and keep you that way!

## You've got options and flexibility!

You can easily switch PCPs mid-year, and you can also choose different PCPs within your family.

IN-NETWORK  
DIRECT PRIMARY CARE DOCTOR

Dr. Melinda Cail

## JOIN A DIRECT PRIMARY CARE (DPC) DOCTOR

DPC is a growing model of primary care where you get all-access membership to a concierge-like doctor in your community. With a Mending Health Plan, you can join a DPC practice for \$0!

---

## KEEP YOUR CURRENT PCP

Love your current doctor? Perfect, no worries! All in-network PCPs are also \$0 in our Direct Primary Care plans.

# Pick a plan you'll love!
